BRONZE PLAGUE PROGRAM

The Bay Village Foundation provides a way for citizens and friends of Bay Village to memorialize and/or honor their loved ones and friends through its Bronze Plaque Memorial Program.

A gift of $2,500 to the Bay Village Foundation will reserve a bronze plaque at the Cahoon Memorial Bridge.

The Cahoon Park Memorial Bridge is located at Cahoon and Lake Roads. For more information, contact the Foundation or visit our web site to view all of our dedicated plaques.
ABOUT US

Founded in 1995, The Bay Village Foundation provides grants for projects and programs that further the historical, cultural and educational heritage of Bay Village, and supports the next generation by making scholarships to students who reside in Bay Village.

The Foundation assists people and businesses with achieving their charitable goals and giving back to the community, perpetuating the traditions that make Bay Village a special place.

GIVING

Each of us relies on charitable organizations, and they rely on us. Foundation support for their worthwhile programs and services is made possible by carefully investing the many contributions made to The Bay Village Foundation from donors like you. Donations to the Bay Village Foundation preserve the quality of life in Bay Village; support our institutions and students; and they are tax deductible.

Run exclusively by volunteer directors representing a diversity of professional backgrounds and experiences, you are invited to join them as donors to The Bay Village Foundation.

CASH CONTRIBUTIONS

The easiest way to support The Bay Village Foundation is by making a gift of cash. Using a secure Internet credit card payment system through The Cleveland Foundation’s website (www.clevelandfoundation.org), making a donation is a click away.

Alternately, you can simply send a check, made payable to The Bay Village Foundation, to our address (right). All gifts are appreciated and acknowledged for tax purposes.

LEGACY SOCIETY

The Bay Village Foundation Legacy Society celebrates donors who have remembered the Bay Village Foundation in their financial and estate plans.

Because bequests are a way to ensure that your generosity will live on, they are very important to the future of the Foundation and to Bay Village. Simple to create as part of establishing your will or living trust, a bequest can also be added as a codicil to an existing will or as an amendment to a living trust.

Although creating the bequest is easy, deciding which portion of your estate to donate may best be determined in a discussion with your advisor(s). For more information about the Legacy Society, visit our web site or contact the Foundation.
